

Reiwa 7 (2025) Revised Guideline of Kita City Intercultural Cohesion Basic Principle and Goals / Plain Japanese Version

Basic Principle

Kita City is the “town” for value in intercultural cohesion.

Any citizens of Kita City take good care of each other.

Kita City is composed of valuable citizens.

Therefore, Kita City aims for anyone permitted to participate in local activities.

Basic Goal 1 “Value in communication”

- Multilingual communication possible.
- Possible for everyone to communicate in plain Japanese.
- Provide an opportunity for anyone to learn Japanese language.

Basic Goal 2 “Value in safe life”

- Give everyone information in various languages/tools.
- Provide consultation service in case of any difficulties.

Basic Goal 3 “Value in understanding of various cultures”

- Provide an opportunity to understand many different cultures.
- Provide an opportunity for everyone having different cultures to talk to each other.

Basic Goal 4 “Value in making a livable area for everyone”

- Consider measures with everyone to make a livable area.
- Possible for anyone to participate in local activities.
